MEMORANDUM FOR: Assistant Director for Scientific Intelligence

SUBJECT: Recommendation (C) of the Survey by the
Inspector General of the Foreign Documents
Division (concerning the translation and
publication of materials on the "Presidium,
Academy of Sciences, USSR")

1. We transmitted subject recommendation to you on 6 January 1956. That recommendation has now been approved by the Deputy Director of Central Intelligence. Consequently, upon your concurrence, the memorandum of agreement dated 5 October 1951, subject: "Agreement among AD/SI, AD/CD, AD/O on Production of OSI Study on Academy of Sciences, USSR" will be rescinded.

2. Foreign Documents Division will report all changes in the Academy of Sciences and its institutions in its regular semi-monthly "Scientific Information Report". The Division will continue to maintain its Scientific Institution Locator File containing all information on Soviet organization of science available to it, and FDD will produce collated studies on the various institutes of the Academy of Sciences, USSR, upon specific request of OSI or other requestors.

3. To enable FDD to carry out its function with regard to the Academy of Sciences, USSR, we should appreciate it if you would notify Chief, FDD, of the terms of reference of all OSI projects in this field.
